Candidate Vanessa Atterbeary for the Maryland House of Delegates, District 18 Receives the Endorsements of the Democratic Women's PAC of Maryland, House Member and Former Montgomery County School Board President

Yesterday, Vanessa Atterbeary was included in a short list of early endorsements from The Democratic Women's PAC of Maryland (DWPAC). "We are impressed with the number of viable women candidates running for the first time this year, and we will be active in our support of their campaigns. The number of women in the General Assembly has decreased over the past two election cycles, and we have an aggressive plan to see that change this year," said DWPAC Chair Kathy Reiner Martin.

"Vanessa Atterbeary represents the dynamic and positive vision of what Montgomery County can and should be. She is thoughtful, energetic, smart, and deeply concerned about the needs of all the people. Vanessa will continue to reach out as she has throughout her campaign, and she will certainly bring back increased support from Annapolis."

"I am proud to endorse Vanessa. It's rare that you have an opportunity to endorse a candidate who you've watch develop into exactly the type of representative that District 18 needs in the General Assembly and one that the entire state can take pride in. Her intelligence, integrity, and proven ability to work with others will enable her to be the effective advocate that her district needs in Annapolis. Her campaign is truly about the people, being responsive to the people and fighting for them. District 18 and Montgomery County need Vanessa and I enthusiastically endorse her."
